

THINURA ANJANA

Creative Designer & UI/UX Designer | MIS Undergraduate

Moratuwa, Sri Lanka | +94 70 777 1405 | anjanathinura07@gmail.com | forgestudio.web.lk | Open to internship opportunities

PROFESSIONAL SUMMARY

Creative Designer and MIS undergraduate (3rd Year) with 6 years of visual design experience spanning cinematic poster design, brand identity, and UI/UX redesign, including a nationally broadcast tribute artwork and a first-place design award among 200 entries. Actively developing front-end and database fundamentals (HTML, CSS, JavaScript, MySQL) and using AI-assisted development tools to bring design work to life, while contributing to student leadership as Co-Editor of the SLIIT Business School Student (SBSS) Community.

SKILLS

Design & Creative: Adobe Photoshop (Advanced), Figma (Intermediate), Adobe Illustrator (Intermediate), Cinematic Poster Design, Photo Composition, Brand Identity, Typography, Mobile UI/UX Redesign, Prototyping

Web & Data (Foundational): HTML, CSS, JavaScript, MySQL, VS Code — developed through coursework; still building proficiency

AI-Assisted Development: Using AI tools (e.g., Claude) to independently design, build, and launch functional web projects

Professional Strengths: Visual Communication, Creative Problem-Solving, Attention to Detail, Team Collaboration, Presentation, Continuous Learning

PROJECTS

University Front-End Website Project | *HTML, CSS, JavaScript*

- Delivered a fully functional, multi-page university website, achieving 17/20 (85%) in course assessment, by structuring HTML/CSS layouts and building JavaScript-driven navigation and interactive behaviour.
- Improved code maintainability and review speed, demonstrated by a clear, easy-to-explain walkthrough during grading, by separating logic into modular files with consistent class-based styling.

University UI/UX Prototype Project | *Figma*

- Designed a complete, interactive prototype spanning 20+ connected screens covering the full user journey, by structuring consistent visual hierarchy, spacing, and interface logic throughout.

Forge Studio Portfolio Website | *Personal Portfolio, AI-Assisted Development*

- Built and launched a personal design portfolio (forgestudio.web.lk) to consolidate poster design, branding, and UI/UX work into a single professional online presence, by using AI-assisted development tools (Claude) to independently implement and publish the site.

EDUCATION

BSc (Hons) Information Technology – Specialising in Management Information Systems

SLIIT University | 2024–2027 (In Progress — 3rd Year, 1st Semester)

G.C.E. Advanced Level – Commerce Stream

Prince of Wales College, Moratuwa | 2022

G.C.E. Ordinary Level

Prince of Wales College, Moratuwa | 2019 — A passes in Mathematics and Commerce

CERTIFICATIONS

Photoshop & Illustrator Advanced Course — Academy of Graphics, 2021

Advanced Photoshop Course — Mastor.lk, 2023

LEADERSHIP & EXTRACURRICULAR

Co-Editor | SLIIT Business School Student (SBSS) Community | *[From March]*

AWARDS & RECOGNITION

- Achieved national broadcast recognition, measured by feature placement in a televised anniversary tribute, by creating and submitting the original tribute portrait "30 Years of Vijayism" for Indian television's anniversary coverage (2022).
- Won 1st place out of 200 competing entries in a design competition, recognized for best design execution, by creating a detailed illustrative study of a Rolex Day-Date 40 watch (Academy of Graphics, 2022).
